

first one No. 7  
 Second one No.  
 third one No. 5/5  
 fourth " No.  
 fifth one No.

- ① Computer, cell phone - Frequency filters
- ② for hr for phone 3 times a day  
computer
- ③ typing a message in English is  
very difficult. Suggestion/ auto correct  
options
- ④ Norsk/English/Spanish.
- ⑤ Use synonyms as well; subtitles are  
helpful but norsk subtitles are  
better, subtitles are an interference
- ⑥ I have no idea but, found really to  
books are good. For studies if there  
was some pen which could read the text  
and some political science subjects.
- ⑦ Articles can be helpful for online  
book reading.
- ⑧ Clear system, many people don't have  
not been detected as dyslexic so it  
can be helpful; cost-effective so it can  
be helpful
